

Vacancy: Psychiatrist (Freelance or Part-Time)

Location: Remote / Online

Start Date: Flexible

Employment Type: Freelance or part-time

About the Role:

As a psychiatrist at *Your Choice Office*, you will play a key role in supporting clients with complex mental health needs. You will work closely with our team of psychologists and therapists to provide diagnostic assessments, medication management, and psychiatric consultations. Your expertise will help guide treatment plans and ensure clients receive the most appropriate care.

Responsibilities:

- Conduct psychiatric evaluations and assessments
- Prescribe and manage psychiatric medications
- Collaborate with psychologists and therapists on treatment planning
- Provide consultations and second opinions when needed
- Maintain accurate and confidential client records
- Participate in team meetings and case discussions (online)

Requirements:

- Medical degree with specialization in psychiatry
- Valid license to practice psychiatry (in your country of residence)
- Experience with online consultations is a plus
- Strong communication and collaboration skills
- Fluent in English (knowledge of Armenian or Russian is a plus)

We Offer:

- Flexible working hours and remote work
- A supportive and multidisciplinary team
- Competitive compensation per consultation
- Opportunities to contribute to meaningful mental health care across borders
